

REGISTRATION FORM

Deadline for receipt of discounted registration is January 9, 2009.

All requested information must be provided to process registration.
All Fees are in U.S. Dollars.

First name _____

Last name _____

Nickname for badge _____

Professional degree(s) (please list one): _____
a. MD b. PhD c. MD, PhD d. RN e. DO f. Other: _____

Title _____

Organization _____

Address 1 (Please clarify: Home Office Other) _____

Address 2 _____

City _____ State/Province _____ Zip code + 4 _____

Country _____ If outside the U.S., country/city code _____

Phone _____ Fax _____

E-mail address _____

Special Needs. (Dietary, accessibility, etc.) _____

1. I require a CME certificate for my attendance at this meeting.

2. I consider myself primarily (please list one): _____
a. Clinician b. Educator c. Scientist
d. Other: _____

3. My work is best described as (please list one): _____
a. Endocrinology b. Nuclear Medicine c. Surgery
d. Internal Medicine e. Family Medicine f. Oncology
g. Other: _____

4. My place of work is (please list one): _____
a. Academic b. Private Practice c. Administration
d. Hospital e. Government/Military f. Corporate/Industry
g. Managed Care h. Other _____

5. In case of emergency, please contact:
Name _____
Daytime Phone _____
Evening Phone _____

6. ATA Photo Release
From time to time we use photographs of conference participants in our promotional materials and journals. By virtue of your attendance at this meeting, ATA reserves the right to use your likeness in such materials.

7. Meet the Professor Luncheon Workshops (please check one workshop per day – same topics offered each day) (NOTE: Limited seating available each day – two workshop selections will be assigned where possible.)

- Friday, January 23**
- MTP F1: Neck US for Thyroid Nodules, DTC, & Lymph Node Metastases
 - MTP F2: Pediatric Differentiated and Medullary Thyroid Cancer
 - MTP F3: Management of DTC Distant Metastases
 - MTP F4: TSH Suppression in DTC: Who and How Much?
 - MTP F5: Management of Low Risk DTC Patients

- Saturday, January 24**
- MTP S1: FNA Needle Washout for Thyroglobulin and Calcitonin
 - MTP S2: Pediatric Differentiated and Medullary Thyroid Cancer
 - MTP S3: Management of DTC Distant Metastases
 - MTP S4: TSH Suppression in DTC: Who and How Much?
 - MTP S5: Management of Low Risk DTC Patients

8. Registration Fees (please check applicable fees):
(Registration fee includes breakfast, lunches and meeting materials.)

	DISCOUNTED <small>(received by Jan 9)</small>	FULL FEE <small>(received after Jan 9)</small>
(M) ATA MEMBER	<input type="checkbox"/> \$500	<input type="checkbox"/> \$550

9. TOTAL FEES
Registration TOTAL \$ _____

10. Submission and Payment — Checks and money orders for registration payable to the American Thyroid Association in U.S. dollars drawn on a U.S. bank.
 MasterCard VISA American Express

Card number _____

Expiration date (month/year) _____

Print cardholder's name _____

Signature _____

REGISTER ON-LINE at the secure ATA web site www.thyroid.org.

FAX your completed form with credit card payment (no checks or money orders) to 678-341-3081. If you **FAX**, DO NOT MAIL; you risk duplicate charges.

MAIL your completed registration form with payment to: ATA Registration, c/o QMS, 6840 Meadowridge Court, Alpharetta, GA 30005. Phone 678-341-3056.

REFUND POLICY: Refund requests must be submitted in writing. Requests submitted by fax or e-mail before January 9, 2009, will receive a registration refund less a 50% processing fee. No refunds will be made if submitted after January 9, 2009. Refunds will be processed 30 days after the meeting. E-mail: thyroid@thyroid.org

Please keep a copy of this form.

FACULTY – PROGRAM COMMITTEE

FACULTY

Richard T. Kloos, MD,
Co-Chair
Professor, Departments of Internal Medicine and Radiology
Divisions of Endocrinology and Nuclear Medicine
Co-Director, Thyroid Cancer Unit
The Ohio State University and the Arthur G. James Comprehensive Cancer Center

Ernest L. Mazzaferri, MD, MACP, Co-Chair
Professor Emeritus of Medicine and Physiology
Former Chief of Endocrinology
Chairman of Internal Medicine
Ohio State University Professor of Medicine, University of Florida

David S. Cooper, MD
Director, Division of Endocrinology
Sinai Hospital of Baltimore
Professor of Medicine
Johns Hopkins University School of Medicine

Gerard M. Doherty, MD
NW Thompson Professor of Surgery
Section Head, General Surgery
Residency Program Director, Surgery
University of Michigan

Douglas B. Evans, MD
Hamill Foundation Distinguished Professor of Surgery
The University of Texas M. D. Anderson Cancer Center

Gary L. Francis, MD, PhD
Professor of Pediatrics and Chair, Division of Pediatric Endocrinology and Metabolism
Virginia Commonwealth University

Robert F. Gagel, MD
Professor & Head, Division of Internal Medicine
The University of Texas M. D. Anderson Cancer Center

Hossein Gharib, MD, MACP, MACE
Professor of Medicine, Department of Endocrinology
Mayo Clinic College of Medicine

Bryan R. Haugen, MD
Professor of Medicine and Pathology; Head, Division of Endocrinology, Metabolism and Diabetes
Mary Rossick Kern and Jerome H Kern Chair in Endocrine Neoplasms Research
University of Colorado Denver

Stephanie L. Lee, PhD, MD, FACE
Associate Professor of Medicine
Boston University School of Medicine
Director of Endocrine Clinics and the Thyroid Disease Center, Boston Medical Center

Susan J. Mandel, MD, MPH
Associate Professor of Medicine and Radiology
University of Pennsylvania School of Medicine
Associate Chief, Division of Endocrinology, Diabetes and Metabolism
Hospital of the University of Pennsylvania

Jeffrey F. Moley, MD
Professor of Surgery
Chief of Endocrine and Oncologic Surgery
Washington University School of Medicine

Furio Pacini, MD
Professor of Endocrinology
Chairman, Section of Endocrinology and Metabolism
University of Siena, Italy

Matthew D. Ringel, MD
Professor, Division of Endocrinology and Metabolism Director, Endocrinology fellowship
Co-Director, Thyroid Cancer Unit
The Ohio State University and the Arthur G. James Comprehensive Cancer Center

Martin Schlumberger, MD
Professor of Oncology, University of Paris-Sud
Head, Department of Nuclear Medicine and Endocrine Oncology
Institut Gustave Roussy, France

Steven I. Sherman, MD
Professor and Chair
Department of Endocrine Neoplasia and Hormonal Disorders
The University of Texas M. D. Anderson Cancer Center

David L. Steward, MD
Associate Professor and Medical Director
Division of Parathyroid/Thyroid Surgery
Department of Otolaryngology–Head/Neck Surgery
University of Cincinnati Academic Health Center

R. Michael Tuttle, MD
Member, Memorial Sloan Kettering Cancer Center
Associate Professor of Medicine, Joan and Sanford I. Weill Medical College
Cornell University

Samuel A. Wells, Jr., MD
Professor
Washington University School of Medicine

PROGRAM COMMITTEE

Gerard M. Doherty, MD

FRONTIERS IN THYROID CANCER:
ATA Guidelines in Clinical Practice

JOINTLY SPONSORED BY THE AMERICAN THYROID ASSOCIATION AND THE UNIVERSITY OF TEXAS M. D. ANDERSON CANCER CENTER

THE UNIVERSITY OF TEXAS
MD ANDERSON
CANCER CENTER
Making Cancer History

BRIEF DESCRIPTION OF ACTIVITY

The incidence of thyroid cancer has been rising for the past three decades, provoking new ideas and controversy regarding the diagnosis and initial management of thyroid cancer, especially for small papillary thyroid carcinomas. The American Thyroid Association evidence-based Management Guidelines for Patients with Thyroid Nodules and Differentiated Thyroid Carcinoma published in 2006 have sparked much interest in practitioners. Over 25,000 free copies of the guidelines were downloaded from the American Thyroid Association website between 2006 and 2007, underscoring the educational need physicians have for understanding the diagnosis and treatment of thyroid cancer. The speakers at the National Thyroid Cancer Workshop are the principal authors of the guidelines and will present the latest thinking on this subject.

TARGET AUDIENCE

This conference should be of value to endocrinologists, hematologists, oncologists, surgeons, family practitioners, nuclear oncologists, internal medicine specialists, nuclear medicine physicians and respective subspecialty fellows interested in the management of thyroid cancer.

EDUCATIONAL DESIGN

The ATA provides outstanding leadership in thyroidology by promoting excellence and innovation in clinical care, research, education and public advocacy. The National Thyroid Cancer Workshop features interactive sessions, innovative talks on cutting-edge topics and panel discussions. The workshop offers state-of-the-art information and unparalleled networking opportunities. Upon completion of this conference, participants should be able to:

- Employ in their practice recent developments in the management of thyroid cancer and integration of new diagnostic and followup paradigms and the latest thyroid cancer therapies;
- Integrate changes in treatment that result from the evolving demography of thyroid cancer;
- Recognize and discuss the pathophysiology of thyroid cancer as it relates to new thyroid cancer drug therapies;
- Recognize and utilize, as necessary and appropriate, new drugs in the management of DTC and MTC.

ACCREDITATION/CREDIT DESIGNATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The University of Texas M. D. Anderson Cancer Center and the American Thyroid Association. The University of Texas M. D. Anderson Cancer Center is accredited by the ACCME to provide continuing medical education for physicians.

The University of Texas M. D. Anderson Cancer Center designates this educational activity for a maximum of 19.00 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The University of Texas M. D. Anderson Cancer Center has implemented a process whereby everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships with any commercial interest that could potentially affect the information presented. M. D. Anderson also requires that all faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical and medical device products. Specific disclosure will be made to the participants prior to the educational activity.

Because we are always striving to improve the quality of your educational experience, agendas are subject to change. M.D. Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, scheduling conflicts, and so forth.

CME AND ATTENDANCE VERIFICATION CERTIFICATES

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be distributed to participants when an individual departs the conference. To obtain a CME certificate, physicians must submit a completed evaluation questionnaire and a *CME Verification Form*.

Upon request, a record of attendance (certificate) will be provided on-site to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Photographing, audiotaping, and videotaping are prohibited.

EVALUATION

A course evaluation form will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

MEETING REGISTRATION

Space is limited – Register early!

REGISTER ONLINE at the secure ATA website www.thyroid.org.

FAX your completed form with credit card payment (no checks or money orders) to 678-341-3081. If you FAX, DO NOT MAIL, you risk duplicate charges.

MAIL your completed registration form with payment to: ATA Registration, c/o QMS, 6840 Meadowridge Court, Alpharetta, GA 30005. Phone 678-341-3056.

ADA: To request reasonable accommodations for a disability, please notify thyroid@thyroid.org in writing at least two weeks prior to the conference.

HOTEL RESERVATIONS

Group rate cut-off date: Tuesday, January 6, 2009.

A block of rooms has been reserved for the convenience of our attendees. Please call the Loews Miami Beach Hotel directly at (877) 563-9762 to make your reservation. Indicate that you are attending the ATA meeting to receive the group rate (\$299 per night, single or double, plus tax).

PROGRAM HIGHLIGHTS

FRIDAY, JANUARY 23	SESSION MODERATORS: RICHARD KLOOS & ERNEST MAZZAFERRI	FACULTY	SESSION CHAIR
7:00 am – 7: 50 am	Continental Breakfast		
7:50 am – 8:00 am	Welcome and ATA Guideline Comments	David S. Cooper	
8:00 am – 8:30 am	Thyroid Nodules: Diagnostic and Therapeutic Dilemmas	Hossein Gharib (Q&A at 9:30 am)	
8:30 am – 9:00 am	Preoperative and Initial Surgical Management of DTC: Extent of Thyroid and Lymph Node Surgery	Gerard M. Doherty (Q&A at 9:30 am)	
9:00 am – 9:30 am	Postoperative I-131 Remnant Ablation and Therapy: Risk and Benefits, I-131 Dosimetry vs. Empiric Therapy	Bryan R. Haugen (Q&A at 9:30 am)	
9:30 am– 10:00 am	Questions and Answers	<i>Moderator:</i> Susan J. Mandel Hossein Gharib, Gerard M. Doherty, Bryan R. Haugen	
10:00 am – 10:25 am	BREAK (in the Exhibit Hall)		
10:25 am – 11:00 am	New Paradigms and Problems in the Follow-Up of DTC: US, Tg and Imaging	Martin Schlumberger	
11:00 am – 12:00 pm	Panel Discussion: Initial Management of Low and High Risk Tumors	Session Chair: David S. Cooper Gerard M. Doherty, Stephanie L. Lee and Furio Pacini	
12:00 pm – 12:30 pm	BREAK		
12:30 pm – 1:20 pm	Meet the Professor Luncheons Based on Case Studies Neck US for Thyroid Nodules, DTC, and Lymph Node Metastases Pediatric Differentiated and Medullary Thyroid Cancer Management of DTC Distant Metastases TSH Suppression in DTC: Who and How Much? Management of Low Risk DTC Patients	Susan J. Mandel Gary L. Francis R. Michael Tuttle David S. Cooper Stephanie L. Lee	
1:20 pm – 1:30 pm	BREAK (transition to the general session)		
1:30 pm – 2:30 pm	Debate: Which Thyroid Nodules Should Undergo FNA?	Moderator: Richard T. Kloos Susan J. Mandel and Bryan R. Haugen	
2:30 pm – 3:30 pm	Debate: Prophylactic Central Neck Dissection in PTC	Moderator: Ernest L. Mazzaferri Gerard M. Doherty and David L. Steward	
3:30 pm – 4:00 pm	BREAK (in the Exhibit Hall)		
4:00 pm – 5:00 pm	Debate: Radioiodine Ablation for Low Risk PTC	Moderator: Matthew D. Ringel Ernest L. Mazzaferri and R. Michael Tuttle	
5:00 pm – 5:30 pm	DTC Molecular-Based Therapy and Clinical Trials	Moderator: Steven I. Sherman Jeffrey F. Moley, Martin Schlumberger and Matthew D. Ringel	
5:30 pm– 6:30 pm	Panel Discussion: Case Management Distant Metastases	Moderator: Bryan R. Haugen David C. Cooper, Stephanie L. Lee, and David L. Steward	
6:30 pm – 7:00 pm	Questions and Answers Covering Full Day		

SATURDAY, JANUARY 24	SESSION MODERATORS: RICHARD KLOOS & ERNEST MAZZAFERRI	FACULTY	SESSION CHAIR
7:00 am – 7:50 am	Continental Breakfast		
7:50 am – 8:00 am	Welcome and ATA Guideline Comments	Richard T. Kloos	
8:00 am – 8:30 am	Anaplastic Thyroid Cancer	Steven I. Sherman	
8:30 am – 9:30 am	Panel Discussion: Observation vs. Resection of Persistent DTC Lymph Node Metastases	Session Chair: David L. Steward Jeffrey F. Moley, Martin Schlumberger, Douglas B. Evans and Hossein Gharib	
9:30 am – 10:00 am	Special Problems: Managing DTC During Pregnancy and in Elderly Patients	Steven I. Sherman	
10:00 am – 10:30 am	BREAK (in the Exhibit Hall)		
10:30 am – 11:30 am	Panel Discussion: High Serum Tg Levels and Negative Whole Body Scans	Session Chair: Bryan Haugen David L. Steward, Hossein Gharib and Furio Pacini	
11:30 am – 12:00 pm	When to Stop Treating with Radioiodine	R. Michael Tuttle	
12:00 pm – 12:30 pm	BREAK		
12:30 pm – 1:20 pm	Meet the Professor Luncheons Based on Case Studies FNA needle washout for Thyroglobulin and Calcitonin Pediatric Differentiated and Medullary Thyroid Cancer Management of DTC Distant Metastases TSH Suppression in DTC: Who and How Much? Management of Low Risk DTC Patients	Matthew D. Ringel Gary L. Francis R. Michael Tuttle David S. Cooper Stephanie L. Lee	
1:20 pm – 1:30 pm	BREAK (transition to the general session)		
1:30 pm – 2:00 pm	Management of Thyroglobulin-antibody Positive DTC Patients	Ernest L. Mazzaferri	
2:00 pm – 2:30 pm	Prophylactic Surgery for Medullary Thyroid Cancer:	Douglas B. Evans (Q&A at 3:30 pm)	
2:30 pm – 3:00 pm	Therapeutic Surgery for MTC: Preoperative Evaluation of Clinically Apparent Disease and the Extent of Surgery	Jeffrey F. Moley (Q&A at 3:30 pm)	
3:00 pm – 3:30 pm	When to use External Beam Radiation or Chemoembolization in DTC or MTC	Robert T. Gagel (Q&A at 3:30 pm)	
3:30 pm – 4:00 pm	Questions and Answers	Moderator: Douglas B. Evans Jeffrey F. Moley, Robert T. Gagel	
4:00 pm – 4:30 pm	BREAK (in the Exhibit Hall)		
4:30 pm – 5:00 pm	MTC Molecular-Based Therapy and Clinical Trials	Samuel A. Wells, Jr	
5:00 pm – 5:30 pm	MEN 2 Associated Pheochromocytoma and Hyperparathyroidism	Douglas B. Evans	
5:30 pm – 6:30 pm	Panel Discussion: Case Management of MTC	Session Chair: Furio Pacini Samuel A. Wells, Jr., Robert T. Gagel, and Richard T. Kloos	
6:30 pm – 7:00 pm	Questions and Answers Covering Full Day	Moderator: Robert T. Gagel Samuel A. Wells, Jr., Furio Pacini, and Richard T. Kloos
