Indian Wells, California • [www.thyroid.org](http://www.thyroid.org)

The American Thyroid Association is the leading organization focused on thyroid biology and the prevention and treatment of thyroid disorders through excellence and innovation in research, clinical care, education, and public health. At the 81<sup>st</sup> Annual Meeting, you can earn CME credits, experience innovative talks, participate in interactive sessions, and develop professionally with state of the art information.

## WHY ATEND?

Chaired by Anthony Hollenberg & Martha Zeiger, the ATA Program Committee continues to offer the outstanding agenda expected by those who choose the ATA meeting as their 'favorite' scientific educational experience - year after year.

## WHO WILL BE THERE?

The community of endocrinologists, surgeons, scientists, family, nuclear and internal medicine physicians, fellows, nurses and health care professionals who wish to broaden and update their knowledge of the thyroid gland and its disorders.

## STATE OF THE ART PROGRAMMING AND OPPORTUNITIES

At the 81<sup>st</sup> Annual Meeting of the American Thyroid Association, attendees will experience top-notch educational sessions, great networking opportunities and unmatched collegiality -- all under one-roof. Hear clinical, translational and basic research presentations on a variety of thyroid-related topics including imaging and thyroid disease, pregnancy and thyroid, molecular markers, new approaches to thyroid surgery, pathology and cytopathology, obesity and metabolism, radiation safety and bench to bedside thyroid hormone analogues. Get the latest updates on ATA management guidelines and practice recommendations. Be a part of customized educational sessions and meeting discounts specifically designed for fellows.

## REGISTRATION

ATA meeting registration is open to all health care professionals interested in broadening their knowledge of the thyroid gland and its disorders. **Visit the ATA website for registration details and meeting information as available at [www.thyroid.org](http://www.thyroid.org).**
