

## You are invited to attend the 2013 Meetings of the ATA!

American Thyroid Association (ATA) meeting and program details  
online as available at [www.thyroid.org](http://www.thyroid.org)

### American Thyroid Association Spring Symposium and Research Summit 2013

Treatment of Hypothyroidism: *Exploring the Possibilities*

April 25-26, 2013

Westin City Center, Washington, DC

#### Spring Symposium Learning Objectives:

- » Determine and translate the latest basic and clinical research in thyroid hormone metabolism, transport, and action into management recommendations
- » Improve expertise in management of hypothyroid patients
- » Review the development of alternatives to the use of levothyroxine alone
- » Recognize the role of traditional thyroid hormone replacement therapy

We hope to see you in  
2013 at an ATA Meeting!  
[www.thyroid.com](http://www.thyroid.com)

How to Register:  
[www.thyroid.org](http://www.thyroid.org)  
for all meeting details

### 83rd Annual Meeting of the American Thyroid Association

October 16-20, 2013

Sheraton Puerto Rico Convention Center Hotel & Casino  
San Juan, Puerto Rico

#### Annual Meeting Learning Objectives:

- » Describe state-of-the-art findings on the mechanisms, prevention, diagnosis and management of thyroid disorders and cancer
- » Implement the latest clinical management guidelines to benefit patient care and the expertise of the clinician in practice
- » Describe the impact of health policy, environmental factors, genetic factors and non-thyroidal conditions on thyroid disorders and cancer
- » Apply new treatment options for thyroid disorders and cancer in patient care
- » Identify opportunities for increasing education and collaboration to further understand thyroid disorders, thyroid cancer and managing patient care
