Lewis E. Braverman Award Fund Donors

Fund Descriptions

The Clark T. Sawin Endowment Fund

Supports the *Clark T. Sawin History Resource Center*, an online thyroid history and archive resource. The Sawin Historical Vignette presented at the annual meeting is supported by the Sawin Fund.

University of Southern California Thyroid Research Group Fellows Fund

Established to support fellows' attendance at ticketed program events of the Annual meeting of the ATA.

Campaign Fund

Created to ensure lasting support for thyroid research grants in support of peer-reviewed clinical and basic science investigations of exceptional merit.

The Arthur Bauman Fund

Supports the presentation of advances in clinical investigation in thyroidology and promotes participation by younger members of the scientific community in the annual meeting. The Arthur Bauman Clinical Symposium during the annual meeting is supported by the Bauman Fund.

The Sidney H. Ingbar Fund

Created in 1989, the Ingbar Fund supports ventures consonant with the Ingbar tradition of excellence in education and research in thyroidology. The fund also supports a lectureship award recognizing outstanding academic achievements in the field of thyroidology in keeping with the innovation and vision that epitomized Dr. Ingbar's brilliant investigative career conferred upon an established investigator who has made major contribution in thyroid-related research over many years.

The Lewis E. Braverman Award Fund

Created in 2011, the Braverman Award fund recognizes an individual who has demonstrated excellence and passion for mentoring fellows, students and junior faculty; has a long history of productive thyroid research; and is devoted to the ATA. The award lecture is endowed by contributions to honor Dr. Lewis E. Braverman.

The Endowment Fund

Established to assure the future of the American Thyroid Association's scientific and educational programs for its members, and to provide travel grants that enable younger physicians and scientists to attend ATA meetings.

The Research Fund

Supports thyroid research and includes contributions from the Combined Federal Campaign, United Way, Independent Charities of America and Health and Medical Research Fund Federation.

2013 ATA Annual Fund Donors

126 ATA members, faculty and staff have donated a total of \$31,627 to the 2013 Annual Fund since October 1, 2012. These funds are dedicated to support of the:

- ATA Research Grant Program
- ATA Fellows Program: encouraging attendance at our annual meeting, providing travel grants, and a specialized educational track tailored to trainees
- ATA Online Patient Education Resources

Donations received between October 1, 2012 and September 12, 2013.
