

## Ridgway Legacy Fund

For over two decades Dr. "Chip" Ridgway, former ATA President, led the ATA Trainee Education Program, an annual event providing thyroid-focused education and training for young clinicians and researchers. With your support, the "E. Chester Ridgway Trainee Conference" will continue in his memory. If you have not already given, please consider a gift today.

As of April 30, 2015, The Ridgway Legacy Campaign is one-third of the way towards the goal of \$250,000. Donations and pledges now total over **\$82,000**. There are 103 donors.
