

YOU ARE INVITED TO JOIN US

Join over 1,000 physicians and investigators from around the world to share the newest clinical and basic science research into thyroid disease. The ATA Program Committee led by Co-Chairs Peter Arvan and Stephanie Fish will develop a scientific program to satisfy the interests of all audiences. The Ridgway Trainee Conference along with the full-day satellite ultrasound course and hands-on practicum will be available again to accent the main scientific program. Experience top-notch educational sessions, great networking opportunities and unmatched collegiality in beautiful downtown Denver, Colorado.

When: September 21-25, 2016

Where: Sheraton Downtown Denver Hotel, Denver, Colorado, USA

REGISTRATION and HOUSING OPENING IN MARCH 2016

Agenda and meeting updates will be posted as available at www.thyroid.org
