*Optimal Thyroid Health for All*

## ATA Samuel Refetoff Fund

The American Thyroid Association® wishes to express sincere appreciation to the donors who have supported the Samuel Refetoff Fund Campaign in recognition of Dr. Samuel Refetoff and his leadership in the field of Resistance to Thyroid Hormone (RTH), leading activities in basic, translational and clinical science, with major contributions to our understanding of physiology and pathophysiology.

### Goals of Refetoff Fund

- Support Fellows, Trainees and Young Investigators
  - Support RTH Symposium
  - Support ATA Research Awards
