

## American Thyroid Association (ATA)

Dedicated to Scientific Inquiry, Clinical Excellence, Public Service, Education, and Collaboration

### ATA Webinars: Education When and Where You Want It!

As awareness and prevalence of thyroid disease and its related disorders grow, so also, the need for increased education for health care professionals and the general public. The ATA invites you to join us in the launch of our newest educational initiative — a series of CME certified webinars beginning Dec. 14, 2010 and recurring every **third Tuesday** of the month at 11 a.m. Eastern Standard Time providing 1 AMA PRA Category 1 Credit™ for each webinar.

Registration available online, [http://online.krm.com/iebms/coe/coe\\_p1\\_all.aspx?oc=10&cc=0015765](http://online.krm.com/iebms/coe/coe_p1_all.aspx?oc=10&cc=0015765)

#### Practical Lessons from the ATA Guidelines for the Management of Thyroid Nodules

**Speaker:** David S. Cooper, MD, Johns Hopkins University

**Tuesday, December 14, 2010, 11:00 AM ET**

#### Practical Lessons from the ATA Guidelines for the Management of Differentiated Thyroid Cancer

**Speaker:** David S. Cooper, MD, Johns Hopkins University

**Tuesday, January 18, 2011, 11:00 AM ET**

#### Hypothyroidism LT4-LT3 Therapy

**Speaker:** Michael T. McDermott, MD, University of Colorado Denver

**Tuesday, February 15, 2011, 11:00 AM ET**

**Target Audience (Who Should Attend):** The ATA remains at the forefront of CME accredited thyroid education. ATA webinars are designed for thyroid specialists: endocrinologists, internists, surgeons, basic scientists, nuclear medicine scientists, pathologists, endocrine nurses, physicians assistants and other health care professionals who wish to broaden and update their knowledge of the thyroid gland and its disorders including clinical management guidelines.

**Costs:** \$119 for ATA members per webinar/\$149 for non-members per webinar. Discounts are available for registering for all three webinars as a package, or for ordering a recording with your registration.

**Learning Objectives:** At the conclusion of each webinar, attendees should be able to:

- Describe state-of-the art findings on the mechanisms, prevention, diagnosis, and management of thyroid disorders and cancer
- Explain the latest clinical management guidelines to benefit patient care and enhance the expertise of the clinician in practice
- Describe the impact of health policy, environmental factors, genetic factors, and non-thyroidal conditions on thyroid disorders and cancer
- Explain new treatment options for thyroid disorders and cancer in patient care
- Identify opportunities for increasing education and collaboration to further understand thyroid disorders, thyroid cancer and managing patient care

**Disclosures:** Disclosures for presenting faculty and content controllers will be provided on-screen at the live webinar.

**Accreditation and Designation Statement:** intellyst® Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. intellyst® Medical Education designates each of these live activities for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
