

American Thyroid Association (ATA)

Dedicated to Scientific Inquiry, Clinical Excellence, Public Service, Education, and Collaboration

ATA Webinars: Education When and Where You Want It!

As awareness and the prevalence of thyroid disease and its related disorders grows so also arises the need for education of health care professionals and the general public. The American Thyroid Association remains at the forefront of CME certified thyroid education. We invite you to join us for our new series of webinars beginning in the Spring of 2011. CME Credit will be available for each webinar.

Revisit <http://www.thyroid.org/professionals/education/webinars.html> in the coming months for webinar dates, times and registration information.

Practical Lessons from the ATA Guidelines for the Management of Thyroid Nodules

Speaker: David S. Cooper, MD, Johns Hopkins University

Practical Lessons from the ATA Guidelines for the Management of Differentiated Thyroid Cancer

Speaker: David S. Cooper, MD, Johns Hopkins University

Hypothyroidism LT4-LT3 Therapy

Speaker: Michael T. McDermott, MD, University of Colorado Denver

Target Audience (Who Should Attend): The ATA remains at the forefront of CME accredited thyroid education. ATA webinars are designed for thyroid specialists: endocrinologists, internists, surgeons, basic scientists, nuclear medicine scientists, pathologists, endocrine nurses, physicians assistants and other health care professionals who wish to broaden and update their knowledge of the thyroid gland and its disorders including clinical management guidelines.

Costs: \$119 for ATA members per webinar/\$149 for non-members per webinar. Discounts are available for registering for all three webinars as a package, or for ordering a recording with your registration.

Learning Objectives: At the conclusion of each webinar, attendees should be able to:

- Describe state-of-the art findings on the mechanisms, prevention, diagnosis, and management of thyroid disorders and cancer
- Explain the latest clinical management guidelines to benefit patient care and enhance the expertise of the clinician in practice
- Describe the impact of health policy, environmental factors, genetic factors, and non-thyroidal conditions on thyroid disorders and cancer
- Explain new treatment options for thyroid disorders and cancer in patient care
- Identify opportunities for increasing education and collaboration to further understand thyroid disorders, thyroid cancer and managing patient care

Disclosures: Disclosures for presenting faculty and content controllers will be provided on-screen at the live webinar.

Accreditation and Designation Statement: intellyst® Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. intellyst® Medical Education designates each of these live activities for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
